### ALL PAYROLL SYSTEMS ~ **IMPORTANT NOTICE**

#### 1. PAYMENT OF WORKING TAX CREDITS BY EMPLOYERS

In the budget last year, the chancellor announced that the responsibility for paying tax credits would be transferred from the employer to the Inland Revenue.

You should now have received a letter from HM Revenue & Customs (HMRC) specifying the details of the change, and identifying what you need to do in this respect.

For full details of the change and the obligations imposed on you, click on the following link ([HMRC tax credit details](#)). Additionally, the HMRC have issued an Employers' Questions & Answers compilation relating to this issue, and you might find this of interest. Click the following link to connect to this document ([Employers' Q & As](#)).

#### PEGASUS CAPITAL GOLD ACCOUNTS ~ NEW UPGRADE

Capital Gold customers should by now have received v3.53.10 or been contacted to arrange an upgrade visit. If this is not the case, please advise Software Support Depart, who will take the necessary action.

For a full list of the changes please click [here](#).

#### IRIS ENTERPRISE ~ OPERATIONAL TIPS

On logging in or out of IRIS Enterprise you may experience the following message:

“Please Wait Verifying Security  
Record lock detected  
Waiting for another user to finish”

This message occurs when logging in or out, and another user is either in System Set-up, or in F6 Change Period Set Financial Period and Year. It may also occur if another user is waiting on the IRIS Enterprise login screen, in VAT Set-up, or in Currency Set-up.

When the user holding the lock exits from the set-up screen, the lock is immediately cleared.
