PAYROLL UPGRADE MAY 2007

Tax tables will need to be amended to reflect the March budget changes. As is our usual practice software releases implementing these changes will be sent out for Intex Earnie, Pegasus Capital Gold and IRIS payroll sites in time for week 7, whilst Flyers will be distributed to Opera and Opera II sites so that manual changes can be made.

Copies of the flyers are available by clicking ([Opera 16](#)) ([Opera II](#)) or ([Capital](#)).

ON-LINE FILING

If you are classed as a small employer (less than 50 employees) remember that you are entitled to the tax-free incentive of £150 for submitting the 2006/7 Payroll Year End Returns online.

This may be claimed by reducing your remittance to HMRC by that sum, or by requesting a cheque from the authorities.

You have until 19 May to complete the 2006/7 returns.

PEGASUS OFM GUIDE

A useful guide has been issued by Pegasus relating to their Online Filing Manager software. It will be of interest to all those contemplating submitting their Payroll End-of-Year returns via the Government Gateway.

For a link to this guide, please click ([here](#)).

PEGASUS OPERA & OPERA II: NON-PAYROLL SITES

Having successfully completed the upgrade of all our Opera Payroll sites, we will now be looking to ensure that all non-payroll sites are similarly enhanced during the coming weeks.

For Opera 16 users this will mean they will be provided with v3.50.00, whilst Opera II sites will where possible (dependant on hardware and software constraints) be upgraded to v5.12.00 or alternatively v4.20.00.

CAPITAL GOLD ACCOUNTS

It is useful to set up a "Historic" company as part of year end processing. This could enable you to have detailed past records whilst freeing up the live company of "redundant" information thereby enabling faster processing speeds.

PEGASUS OPERA CIS

Pegasus have now issued a CIS module suitable for small companies that need to deal with sub-contractor payments in a simple and economic manner. For more details contact Bill Rhys Jones on 01206 711 452

STOP IT!

We hope that you find our e-mailed information sheets of direct help to you and your business. However, if you wish to remove your name from the mailing list or make changes regarding recipients, please contact John Stannard, in the Support Department.

Computerwise Limited is now part of a much larger group with offices in Bromley, Colchester, Portsmouth, and Wimbledon.

This structure provides you with the stability and expertise that a large company can offer whilst coupling it with the care and responsiveness exercised by a smaller concern.
