PAYROLL 2008 ~ SEPTEMBER TAX CHANGES

As previously advised the Chancellor's announced increase to the 2008-2009 Personal Allowance comes into effect from 7 September 2008 and will be backdated to 6 April 2008.

To effect the changes:

Intex Earnie Payroll: You should have already received an update disk direct from Intex. This needs to be applied as soon as conveniently convenient, but before you process payroll for 7 September onwards.

Follow the instructions provided with the upgrade, and ensure the upgrade has been successful by clicking Help >> About and checking the licence details show "Latest Tax & NI Rates Correct at September 2008".

Capital Payroll: You should have received these from us by now. If your expected upgrade has not yet been received, please contact Support Department immediately so that we can investigate the delay.

Opera Payroll: No upgrade to your software is required. However, you will need to globally increase the L Tax Codes of your employees, and amend the Tax Tables.

A flyer has now been posted to you detailing the step by step changes you need to carry out. If you wish to access a copy of this instruction click ([here](#)).

Opera II Payroll: No upgrade to your software is required. However, you will need to globally increase the L Tax Codes of your employees, and amend the Tax Tables.
