

33-35 Manor Road, Colchester, Essex CO3 3LX.

Established 1980

2009

2009/0201

Computerwise Limited is part of a much larger group with offices in Bromley, Colchester, Portsmouth, and Wimbledon.

This structure provides you with the stability and expertise that a large company can offer whilst coupling it with the care and responsiveness exercised by a smaller concern.

PAYROLL 2009: SOFTWARE UPGRADES

We have progressed at a very fast rate with this year's upgrades, all Capital Lite, Standard and 300 Payrolls, Opera 16 and Opera II payrolls have been distributed (for postal contracts) and those who are not have been contacted to arrange a site visit (where we carry out the upgrade).

Please contact the support department as soon as possible if you have not received your upgrade or been contacted so that we can investigate further.

PAYROLL SEMINAR

For those of you who attended this year's Payroll Seminar, I would like to say thank you for taking the time out of your busy schedules to attend, we hope that it was helpful and informative.

We feel that this year's event was a success as we have received positive feedback from attendees, if, however, you have any suggestions on how we may improve similar events in the future your thoughts would be welcomed.

One of the focus points of the seminar was a demonstration on Document Management which was performed by support engineer Jeff Higgon. Since then we have gained some considerable interest in this relatively new module which provides users with the facility to scan and attach documents to different areas of the program, which is an excellent facility to have. If you were unable to attend but would like to learn more please do not hesitate to contact us.

HMRC IN-YEAR ONLINE UPDATES

As you may already be aware as from 6th April 2009, if you have 50 or more employees you will have to send your in year employee starter and leaver information (forms P45 (1), P45 (3) and P46) online. If you have any concerns or require any assistance with this, please do not hesitate to contact our support helpdesk.

STOP IT!

We hope that you find our e-mailed information sheets of direct help to you and your business. However, if you wish to remove your name from the mailing list or make changes regarding recipients, please contact Patrick Abbott, in the Support Department.
